LOOP BELT INDUSTRIES, INC.
Glen Ellyn, IL, USA

Attention: Engr. K. Sawada

Subject: Rented LOOP BELT – LB32T4

Ref.: Subcontract PAL-010/2011 – Palomino Hydroelectric Project – Dominican Republic

Dear Engr. Sawada;

We inform you that the Truck Mounted Telescopic Conveyor Mod. LB32T4 rented from LOOP BELT has met very satisfactorily our necessities of RCC and Conventional Concrete placing at the construction of the PALOMINO Hydroelectric Dam Project.

At this opportunity we express our gratitude to LOOP BELT for the Services rendered with the LB32T4 and to all the LOOP BELT's personnel of operation and of the main offices in Glen Ellyn, whom have always served with high professionalism.

Certain to be able to count with the LOOP BELT company in other projects.

Attentiously,

(signed)

Engr. José Ricardo Prandini Pereira
Production Manager

Constructora Norberto Odebrecht S.A.
